## Certificate of Attendance

This is to certify that:

**Sina Etebar**

has attended the 2020 Inverted CERN School of Computing, organized as an online event from September 28<sup>th</sup> to October 2<sup>nd</sup> 2020, and passed the final evaluation test.

The school programme consisted of 14 hours of classes, and additional optional exercises, covering the following topics:

- Programming Paradigms and Design Patterns
- Computational Fluid Dynamics
- Reconstruction and Imaging
- Modern C++ features
- Heterogeneous Programming with OpenCL
- Big Data processing with SQL

More information about the school can be found at <http://indico.cern.ch/e/iCSC-2020>.
